Microsoft Teams Code of Conduct

Academic year 2020-2021

- I will be responsible for my behaviour and actions when using technology, this includes the resources I access and the language I use.
- I will make sure that all my communication with students, teachers or others using technology is responsible and sensible, and is solely work/school related.
- I will not deliberately browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material, I will report it immediately to my teacher or my parent.
- I will not share resources or videos created by my teachers with anyone who is not a pupil or member of staff at St Michael's C of E Primary School.
- I will not record or take photos of my peers or teachers during a face-to-face session.
- I will not share any school content on social media platforms.
- I understand that when using Microsoft Teams and other applications provided by the school that my use can be monitored and logged by the IT Manager and can be made available to my teachers.
- I understand that these rules are designed to help keep me safe and that if they are not followed, my parent may be contacted and I may be removed from the live conferencing.
- I will only take part in 'live' streaming if a responsible adult knows that I am doing it and is at home to supervise.
- When participating in a video conference on Microsoft Teams, I will ensure that there is no confidential information in the background (e.g. letters with addresses or personal family photographs).
- When participating in an audio or video conference on Microsoft Teams, remember that this is an extension of the classroom and you and other members of your household should conduct yourself as you would when on your best behaviour in school.

This includes:

- Being on time for your interactive session.
- Being fully dressed appropriately for learning.
- Remain attentive during sessions.
- Interact patiently and respectfully with your teachers and peers using appropriate language.
- If you are disruptive during a live lesson, you may be asked to leave the group and complete the lesson, with the teacher's guidance, at a later time.
- Video conference from an environment that is quiet, safe, public and free from distractions. Try to avoid using a bedroom for video conferencing.
- You **MUST NOT** record each other's online interactions. If the lesson is to be recorded, this will be done by the teacher.
- Make sure you end the session as soon as the teacher indicates to do so and do not stay in the session after the teacher has left.
- Please complete tasks as they are set for each lesson. Teachers will be available at the times when they would normally be teaching you in order to answer questions 9:00 till 3:00pm.
