## 3. Who is this policy applicable to?

- A child is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal. In these instances parents will be directed to Government recommended remote learning resources.
- A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19. In this instance, the class will be taught remotely by the class teacher using Microsoft Teams.

St Michael's Ce Primary School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

St Michael's CE Primary School will provide 'How to guides' and links to explanation videos on the school website to support families with assisting their children with accessing and using Microsoft Teams.

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly by 9am each day with the relevant documents available in the files folder.
